

SPIRE CHEMICAL SOLUTIONS

Innovative Chemical Solutions for a Cleaner, More Sustainable Future

UEI: S2SAZGQQK1C4
CAGE Code: 0QK37

CAPABILITIES STATEMENT

Company Overview

Spire Chemical Solutions is an industry leader in providing high-performance sanitation and wastewater treatment chemicals. With our headquarters in Lavon, TX, we pride ourselves on delivering innovative chemical solutions that enhance food safety, optimize cleaning processes, and improve wastewater treatment efficiency. Our customer-centric approach and commitment to excellence drive measurable results for our clients.

Core Competencies

- Manufacturing and supplying cutting-edge sanitation chemicals, sanitizers, and wastewater treatment solutions.
- Serving industries such as food production, janitorial, and industrial chemicals.
- Implementing sustainable solutions that maximize efficiency, reduce operational costs, and promote environmental responsibility.

Key Differentiators

- Fastest lead time in product delivery, ensuring clients receive solutions when they need them.
- Proprietary specialty chemical formulations designed to exceed industry standards.
- Distributor for a breakthrough biocide that mitigates carcinogens and pathogens.
- Proven track record of significantly reducing costs, optimizing operational performance, and enhancing regulatory compliance for industrial clients.

Mission Statement

Our mission is providing quality chemical solutions with quick turnarounds, building long-term value and trust for our clients. We are committed to delivering reliable, innovative products and services while maintaining ethical business practices, environmental stewardship, and unparalleled customer satisfaction.

Certifications & Qualifications

- VetCert, NaVOBA, SBA-SDVOSB, Texas VEP, SDV-DOBE (disability:IN)
- Comprehensive product and equipment warranties ensuring client confidence
